Riad Dar Khmissa is an old traditional house, completely renovated by its owners, Vincent and Michel, with respect for the Moroccan tradition. The owners live on site in Marrakech and you will be welcomed in a real **guesthouse**.

The riad is located in the heart of the Marrakech medina, the old walled town, close to the famous Jemaa El Fna, the Koutoubia, the famous minaret of the eleventh century and the souks.

Our neighborhood, arset Lakbira Moussa is one of the **most authentic and warm of the medina**.

You will discover, the top 3 of our garden terraces, on which you can enjoy all year round, the sun of Marrakech and the mild climate. You will take your lunch or you can relax in the Jacuzzi, the return of the souk or a trip into the Atlas mountains, while admiring off the heads of historical works of Moroccan art.
