

NICU (Neonatal Intensive Care)

80 Jesse Hill Jr Drive SE Atlanta, GA 30303 | (404) 616-4919 |

Grady's Perinatal Center and Neonatal Intensive Care Unit (NICU) serve more than 40 counties in the north Georgia region. Premature and high-risk babies are cared for by a dedicated staff of neonatologists and neonatal nurses in our NICU. Our Angel II Neonatal Transport is a special mobile neonatal intensive care unit that stabilizes and transports sick and/or premature infants to Grady to receive special care.

Physicians may call (404) 785-6600 for neonatal transports, consults, and outpatient diagnostics.

What We Treat

Premature and critically ill newborns and infants
