

Teen Center

80 Jesse Hill Jr Drive SE Atlanta, GA 30303 | (404) 616-3513 | *Mon & Weds, 12:30 p.m. to 4 p.m.; Saturday 8 a.m. to 11 a.m.*

Our team of reproductive health specialists includes physicians, nurses, social workers, and adolescent health educators who collaborate to provide teen-centered healthcare. Our health educators provide counseling and work with parents and students in local schools, churches, and local health agencies.

As adolescents begin to make important reproductive healthcare decisions on their own, it is important that they receive the best education and preventive information available. Grady's Teen Center empowers adolescents by providing information and lifestyle coaching so they can make informed decisions.

Call anytime Monday through Friday from 8 a.m. to 4:30 p.m. to schedule an appointment. Walk-in services are available to the first 10 patients on Saturdays ONLY starting at 8 a.m. If you have questions or concerns, our nurses and health educators are available by phone or in person Monday through Friday from 8 a.m. to 4:30 p.m.

Services Offered

Grady's Teen Center offers confidential reproductive health services to males up to age 20, and females to age 18. Our patient services include:

- Birth control (IUDs, Implanon, Depo Provera, and all other methods)
- Gynecological care
- Pregnancy testing
- STI (Sexually Transmitted Infections) testing and treatment
- HIV (Human Immunodeficiency Virus) testing
- HPV vaccines
- Sports physicals

Peer Educators

Teens can discuss problems as well as ways to talk to their parents or adult

caregivers. This can include discussions on birth control, pregnancy, mental health, sexuality, and STIs.
