JOIN US!

Each year, individuals and foundations interested in our work are invited to join us as funding partners so that we can combine funds, expertise, and connections in order to maximize outcomes for Vermonters. To view the projects we are currently funding, many with help from partner philanthropists, please see the [Funding Summary page](#) on our website.

If you are interested in combining forces with others to contribute toward a variety of programs developed to assist Vermonters as they pursue college studies and workforce education, consider a gift to the Vermont Community Foundation's [Access to Higher Education Fund](#).

We welcome you, too, to learn more about the research report, [Understanding Vermont: Postsecondary Education](#), that prompted our focus on work in this area.

Another part of the work of the McClure Foundation is to bring together foundations and philanthropists interested in postsecondary educational opportunities for an annual education summit. Please contact

Foundation and mail to: 3 Court Street, Middlebury, VT 05753, and write "Access to Higher Education Fund" in the memo section of the check.

Education funders interested in connecting with likeminded philanthropists and funders to share news, queries, and funding opportunities can consider signing up for the Vermont Education Funders Network listserv:
