House description.

Palm Oasis is a modern Thai concept with firm accents of traditional Thai Living. Its immaculate design will incorporate the finest of both east and west blended seamlessly to give a feeling of both luxury and comfort. Its open plan design is specifically focused on bringing nature into the home with extra high ceilings and floor to ceiling glass both on the back and front of the house. Plants around the house are highlighted with spot lights to bring the feeling of nature firmly into the home. The main living area is bordered with a large wrap-around infinity pool to the front and a tropical water fall to the back creating a perfect flow of energy in harmony with nature. The living area also incorporates an open plan kitchen area with an island unit finished in dark teak and black granite which blends perfectly with water hyacinth furnishings to give a true feeling of Asian living at its best. Relax in your roof top Jacuzzi surrounded by tropical plants and enjoy views of Pattaya Park and the up coming Ocean One Tower rising into the sky. The home boasts a master bedroom with walk through wardrobe and ensuite bathroom with double vanity, separate shower and Jacuzzi bath. All bedrooms including the three ensuite guest bedrooms step out onto large terraces to give a feeling of openness and space to every room. Our concept of light walls and floors accented with dark wood wardrobes and cabinets gives contrast to the decor and once finished of with your own
