

Marching Forward

Director of the Vermont Women's Fund Meg Smith shares her perspective on the energy surrounding women's issues since the Women's March in January.

Why People Work With Us

We research and track community trends.

We identify and target gaps.

We vet and recommend grantees.

You'll know what your gift accomplished.

Our staff manages everything from basic to complex structures.

You love Vermont and love being part of something bigger.

What's New

MAY 24, 2017
