

Supporting Our Neighbors in Need

The Brownes opened their donor advised fund following the death of Charlie's mother and decided to focus much of their giving on the place they'd called home for decades, the Northeast Kingdom.

Why People Work With Us

We research and track community trends.

We identify and target gaps.

We vet and recommend grantees.

You'll know what your gift accomplished.

Our staff manages everything from basic to complex structures.

You love Vermont and love being part of something bigger.
