

2013 GMC SIERRA 1500 CREW CAB
\$28,888

DESCRIPTION

Stock# T17102A

This 2013 GMC Sierra 1500 Crew Cab SLE is very well equipped with the Kodiak package, 5.3L V8, 6 speed auto, elec. shift 4WD, power everything, and more! It was sold here new, and traded back in again on another new truck. It's had 1 owner, the Sask PST is all paid, and the carproof report doesn't show any big accident history.

When you buy a Certified Preowned Vehicle from Silver Sage Chev, you get standard features you won't find anywhere else, like warranty good at any GM dealer in Canada or USA, a 150+ point inspection of the vehicle, an exchange privilege that allows you to exchange it for any other vehicle on our lot for any reason at all, and 24-hour roadside assistance. When you think about it, buying from Silver Sage Chev just makes sense.

We are located at 320 Highway 37 North, in Shaunavon, SK... a booming town in the heart of oil & gas industry, as well as cattle country. It's a great town, with a scenic drive, lots of amenities, and many nearby attractions. We're worth your drive!

At Silver Sage Chev, we know that you appreciate a great value, and we know that your time is of great value... so if you're value shopping, don't forget how close to home Shaunavon is. Save time in purchasing and save time when you need service. Shop Shaunavon and save money. We're not into who's the king of this, or the queen of that... we're normal folks just like you. No gimmicks, no grand schemes... just good value from your local neighbour. Silver Sage Chev is the SOUTHWEST'S GM dealership.
