**DESCRIPTION**

Stock# B17105A

This 2010 Buick LaCrosse is a 2nd owner trade-in that's been sold here both times. The 1st owner was one of our own (Bob Wilkins) from right here in the dealership, and the 2nd owner was the dealership owners brother... so it's safe to say that we've been able to keep close tabs on this car... and it's a darn good one! Visit us for a test drive today!

When you buy a Certified Preowned Vehicle from Silver Sage Chev, you get standard features you won't find anywhere else, like warranty good at any GM dealer in Canada or USA, a 150+ point inspection of the vehicle, an exchange privilege that allows you to exchange it for any other vehicle on our lot for any reason at all, and 24-hour roadside assistance. When you think about it, buying from Silver Sage Chev just makes sense.

We are located at 320 Highway 37 North, in Shaunavon, SK... a booming town in the heart of oil & gas industry, as well as cattle country. It's a great town, with a scenic drive, lots of amenities, and many nearby attractions. We're worth your drive!

At Silver Sage Chev, we know that you appreciate a great value, and we know that your time is of great value... so if you're value shopping, don't forget how close to home Shaunavon is. Save time in purchasing and save time when you need service. Shop Shaunavon and save money. We're not into who's the king of this, or the queen of that... we're normal folks just like you. No gimmicks, no grand schemes... just good value from your local neighbour. Silver Sage Chev is the SOUTHWEST'S GM dealership.
