Who we are

Herefordshire Wildlife Trust is the largest membership-based wildlife organisation in the area, dedicated to inspiring people about wildlife, acting as a wildlife champion, creating wildlife havens and encouraging sustainable living.

The Trust covers the county of Herefordshire and works closely with neighbouring Wildlife Trusts in England and Wales. The Trust is supported by over 3000 local members and manages 54 nature reserves.

We are a member of the Royal Society of Wildlife Trusts, a federation of 46 Wildlife Trusts covering the whole of the British Isles, with over 800,000 members and more than 2,300 nature reserves covering 90,000 hectares.

Our vision is for a Herefordshire richer and more diverse in wildlife that is valued, and cared for, by its people to the benefit of all.
