

## CUSTOM FABRICATION

Don't see exactly what you need in the listed products? No problem. Just give us a call to discuss your specific requirements.

Frequently, customers that originally contacted us regarding bear-resistant enclosures bring up other metal fabrication needs after they realize our capabilities to customize. With our in-house engineering resources, we often go well beyond just fabrication and help customers

design a solution to a specific problem.

Contact us with your fabrication needs and let's find a solution together.
