COLLECTION OF YOUR PERSONAL INFORMATION

Personal information is information that identifies you and that may be used to contact you online or offline. We collect information you provide to us when you:

- Create an account
- Sign in as a guest
- Create a profile
- Make a purchase
- Email, call or communicate with us
- Sign up for email updates and promotions
- Place an online order
- Inquire about our services
- Submit an application for credit

The types of personal information we collect include your name, title, company name, email address, location address, phone or fax number, interests and preferences, transaction information, and order information.

Automatic Information Collection. When you access our site, we automatically collect information about your IP address, web browser used, access times, and the Internet pages you visited before visiting our site.

Cookies. We automatically collect data using cookies, which enhance our ability to serve you. A cookie is a small data file that our site transfers to your computer. We deliver these cookies and collect data on our site, and we may also use a third party agent to deliver cookies and collect data. We use the data we collect using cookies to help support the integrity of the registration and buying processes on our site, retain your preferences and account settings, learn about your possible interests so we can personalize our marketing and information to better support your interests, and improve our site and your experience.

We may also use flash cookies (local shared objects) to enhance your online experience. Flash cookies are small files similar to browser cookies and are used to remember the site's settings to personalize the look and feel of the site. Visit [Adobe Flash Player security and privacy](#) to learn more about how Adobe Systems, Inc. protects your privacy.

Web Beacons. We may also collect information using web beacons. Web beacons are electronic images that may be used on our site or in our emails. We use web beacons to deliver cookies, count visits, understand usage and campaign effectiveness, and to tell if an email has been opened or acted upon.

USE OF YOUR PERSONAL INFORMATION

We will use your personal information as follows:

- To provide and deliver products and services, process and complete transactions, and send you related information, including purchase confirmations, invoices, updates, security alerts and support and administrative messages;
- To respond to your comments and questions and provide customer service;
- To administer your membership and communicate with you about your member benefits;

Welcome to Securr

where you can enjoy great service and everyday low prices by dealing with the trash can manufacturer directly.

That's right, we're not a distributor, we make them right here in our state-of-the-art manufacturing facility located in beautiful Southern California.

We produce a wide variety of trash cans and recycle bins to service many applications including advertising, Homeland Security, residential, commercial, private and municipal. Also, a huge selection of animal proof receptacles are available through our world famous BearSaver line!

SHARING OF YOUR PERSONAL INFORMATION

Securr does not sell, rent or trade your personal information to third parties.

However, we may need to share your personal information with other companies to provide certain services, including credit card processing, shipping, and email distribution. We provide these companies with only the information they need to perform the service for which they were hired and work closely with them to ensure that your privacy is respected and protected. These companies are prohibited by contract from using this information for their own marketing purposes or from sharing this information with anyone other than Securr.

We may also share aggregated data with third parties for analysis and research purposes. This data does not contain name, address or other personally identifiable information.

When making a credit card transaction on our site, we use a certified third party to ensure the safety and security of your personal information. Authorize.net has its own privacy and security policies, which can be reviewed [here](#).

YOUR COMMUNICATION CHOICES

You may opt out of receiving promotional emails from Securr by following the unsubscribe instructions contained in those emails. You may also change your communication preferences in your [My Account](#) profile. Should you opt out, we may still send you non-promotional emails, including emails regarding your purchases, account, or other ongoing business relations.

UPDATING YOUR PERSONAL INFORMATION

If you would like to update or correct your personal information, go to your [My Account](#) page. To protect your privacy, you will be asked to enter your password upon submitting any updates or changes to your profile.

SECURITY OF YOUR PERSONAL INFORMATION

We use reasonable security measures and safeguards to protect personal information from loss, misuse, unauthorized access, disclosure, alteration and destruction while it is under our control.

POLICY CHANGES

From time to time, Securr may make changes to this policy. Should any changes be made, we will post these changes to our website and update the Effective Date above. We encourage you to review our privacy policy periodically.
