We use the industry standard encryption protocol known as Secure Socket Layer (SSL) to keep your order information secure and provide you with the safest shopping experience possible.

Our servers are protected by secure firewall technology designed to keep information secure and inaccessible by other Internet users. We protect access to online accounts by requiring each customer to establish a unique username and password.

We perform regular security scans and testing to ensure the safety and security of our customers.

CARDHOLDER SAFETY

As added protection for credit card transactions, we have partnered with [Authorize.Net](#), a leading payment gateway since 1996. For additional information on how Authorize.Net safeguards your information, please consult their [Authorize.net payments diagram](#) and [Privacy Policy](#).

If any unauthorized charges were to appear on your credit card as a result of shopping with Securr, you need to immediately notify your credit card provider in accordance with its reporting rules and procedures.

If you are at any time uncertain about ordering online, contact Customer Service at **1-888-761-7066** to place your order over the phone (Mon-Fri, 9 a.m. - 5 p.m. PST).

OUR SECURE SHOPPING RECOMMENDATIONS

- Do not share your accounts and passwords
- Always log out at the end of a session
- Frequently update passwords
- Regularly monitor account activities and information

100% Secure Site
Certified by McAfee Secure

Welcome to Securr

where you can enjoy great service and everyday low prices by dealing with the trash can manufacturer directly.

That's right, we're not a distributor, we make them right here in our state-of-the-art manufacturing facility located in beautiful Southern California.

We produce a wide variety of trash cans and recycle bins to service many applications including advertising, Homeland Security, residential, commercial, private and municipal. Also, a huge selection of animal proof receptacles are available through our world famous BearSaver line!

SECURR™ - Engineering and Innovation... At Your Disposal.
