Welcome to Securr

where you can enjoy great service and everyday low prices by dealing with the trash can manufacturer directly.

That's right, we're not a distributor, we make them right here in our state-of-the-art manufacturing facility located in beautiful Southern California.

We produce a wide variety of trash cans and recycle bins to service many applications including advertising, Homeland Security, residential, commercial, private and municipal. Also, a huge selection of animal proof receptacles are available through our world famous BearSaver line!
