Unlike other trash can manufacturers, Securr allows you to purchase your waste receptacles directly from the factory. By using the latest Computer Aided Design (CAD) software, we are able to design quality products that are easily translated and understood by our computer numerically controlled (CNC) machines. In this way, we are capable of producing new products quickly, efficiently and with great precision. In short, you do not have to sacrifice quality while saving money with Securr.

Find the Right Waste Receptacle to Meet Your Needs

When you purchase your waste receptacle directly from a trash can manufacturer, you save money while also having the opportunity to get assistance with selecting the right product to suit your needs. In fact, you will find all of the following types of trash cans right here on Trash-Cans.com:

- Animal-proof trash cans
- Billboard trash and recycling receptacles
- Collection cans
- Custom-designed waste receptacles
- Garbage carts
- Indoor waste receptacles
- Medical kiosks
- Out-of-home advertising waste bins
- Outdoor trash cans and recycling bins

Since Securr engineers, manufactures and sells its trash cans and recycling receptacles, you can count our customer service representatives to be fully knowledgeable about what each of our products has to offer. Furthermore, if you have a special request that needs to be met, we have the ability to address those needs and to create a custom-designed receptacle just for you. To learn more about what makes Securr different from other trash can manufactures or to discuss your needs, give Securr a call at 1-888-671-7066. We are confident we have the perfect waste receptacle for you.

Welcome to Securr

where you can enjoy great service and everyday low prices by dealing with the trash can manufacturer directly.

That's right, we're not a distributor, we make them right here in our state-of-the-art manufacturing facility located in beautiful Southern California.

We produce a wide variety of trash cans and recycle bins to service many applications including advertising, Homeland Security, residential, commercial, private and municipal. Also, a huge selection of animal proof receptacles are available through our world famous BearSaver line!

SECURR™ - Engineering and Innovation... At Your Disposal.
