Access members OGh

Unlike previous years, the OGh asks members who visit APEX World 2016 a fee of € 75 (ex. VAT) for a two days congress. By signing in you agree to pay this contribution. Following notification follows an automatically generated confirmation e-mail. If you do not receive that mail please send a mail to secretariaat@ogh.nl

Upon receipt of the registration the bill to members / contacts will be sent. For payments a deadline of two weeks will be held.

After receipt of the payment by OGh, the registration becomes final. Cancellation is possible until February 22nd, 2016. In case of an unlikely cancellation after February 22nd the participant can be replaced by someone else under the condition that the name change has been sent to secretariaat@ogh.nl

The organization will also provide an evening program on March 7th (1st day) of APEX World. You can find more information [here](#)
