

## Tribute to NYC photographer Jordan Matter

Gotopless.org would like to pay a special tribute to NYC Photographer, Jordan Matter [www.jordanmatter.com](http://www.jordanmatter.com) Many of the pictures of our site are his creation and we thank him for letting us display them. Jordan has taken thousands of pictures of topless women of all shapes and ages in NYC public places thus helping the public realize that a topless woman is a natural site. Artists like Jordan are crucial in **healing and educating our American society bruised in many ways by its repressive, puritanical past.**
