

GoTopless on Ohua Hawaii Aug 26, 2012

Gotopless is proud to be present in Hawaii for the fifth year in a row as we encourage the Hawaiian women to reconnect with their traditional roots and exercise their right to Gotopless on their islands as their female ancestors have always proudly done until the missionaries arrived with their shameful mentalities and forced them to cover their chest.

With Hawaii weather, women should enjoy their freedom to go topless every day of the year. Reconnect with your ancestral noble traditions, Hawaiian wahine!
